

EMT, Advanced EMT, or Paramedic

Wendover Ambulance Service

West Wendover, NV

Job Description

Wendover Ambulance has openings for full-time EMT's, Advanced EMTs and Paramedics. We average over 1,000 calls per year, and cover an 8,000 square mile service area. Our remote location offers a truly hands-on approach to patient care. The successful applicants need to demonstrate excellent critical care skills, as the next higher level of care is a medical helicopter, and it is at least 45 minutes away (it may even be grounded due to weather)

We average 10 special events per year. The events range from racing on the salt flats, to stand-by on movie and television sets.

If you're an EMT or Advanced EMT looking to continue your education and become a paramedic, we'll even pay for your paramedic school!*

- Paramedic school paid*
- Health Insurance IRA (with company end-of-year contribution)
